NOTE: For all exercises, include search strategy and citation.

1) What are the correct methods to log onto the Health Sciences Library?

2) Locate an article from the June 2002 issue of Liver with “serum ferritin” in the title.

3) From an electronic book, locate a chapter or section on plantar fasciitis.

4) Using the Health Sciences Library Online Catalog, retrieve an article from the Annals of the New York Academy of Sciences.
